

Carton Race

Teams

Equipment	4 litter cartons, 4 bending poles (poles 1-4), 1 bucket.
Position of the Equipment	1 carton on each of the first 4 bending poles. The bucket is placed on the 2 yard (1.8m) mark at the changeover end in line with the line of bending poles.
Position of the Riders	All riders will be at the Start/Finish end of the arena.
The Game	Rider 1 collects a carton from any pole, rides to the changeover end, drops the carton into the bucket and returns to cross the Start/Finish line. Riders 2, 3, and 4 complete the course in the same way. Poles knocked over must be replaced.

Pairs

Equipment	1 bucket, 4 bending poles (poles 1-4), 4 litter cartons.
Position of the Equipment	1 carton on top of each of the first four bending poles. The bucket is placed on the 2 yard (1.8m) mark at the changeover end, in line with the lane of bending poles.
Position of the Riders	Both riders will be at the Start/Finish end.
The Game	Each rider collects two cartons, one at a time, and drops them into the bucket. Poles knocked over must be replaced.
